Discuss or write down:

- What toys do you **remember** when you were a **child** that were used for **building**?

- Think about each of the following and **describe** them.

What do they look like? How are they used?

- Lego
 - Meccano
 - Playmobil
 - Sticklebrix
 - Airfix
 - Building blocks
 - Any others you can think of
- **Describe** any **models** you have made using clay, papier maché, matchsticks or any other material.
 - If you were an **architect**, **describe** what your **dream home** would look like. What **features** would you **build**?
 - List and **describe constructions** (houses, buildings, bridges, tunnels, monuments, roads! etc.) that you really **like**.
