

Tangrams

Tangrams are an ancient Chinese puzzle.

7 shapes are **cut** from a **square**. These pieces can be **used** to make 100s of **puzzles**.

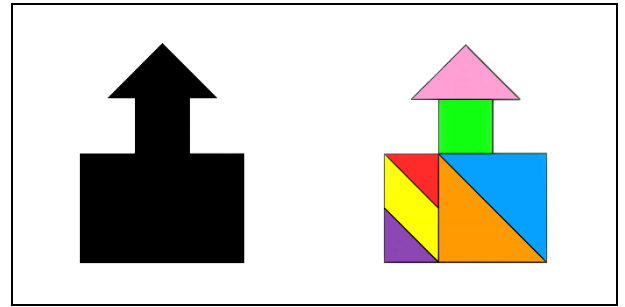

Instructions:

1. Get a **pair** of **scissors** and **cut out** the different **coloured shapes** below.
2. Use these shapes to **construct** the **patterns** on the **next page**.
3. The **rules** are:
 - The **pieces** have to **touch**
 - The **pieces** must **not overlap**
 - You **must** use all **7 pieces**

Tangrams

Here is an **example** of a **Well House** with the **solution**.

Now it's **your turn!**
