

## A Day at the Beach Answers

Use the words from the attached **Word Bank** to fill in the gaps.

It was a beautiful **sunny** day so we decided that we would go to the **seaside**

We packed a **picnic** and jumped into the car and set off for the beach. However, because it was such a lovely day, everybody else had the same idea so there were lots of **traffic jams** along the way.

It took a bit longer than usual but once we got to the beach, all the traffic problems were forgotten. We ran onto the beach and looked out to sea and watched the people swimming. Further out, there were people **surfing** and out on the horizon there was a **yacht**. On the pier, I could see a man with his **fishing** rod and at the end of the beach there was a man selling rides on his **donkey**.

We got out the **bucket** and **spade** to build a **sand** castle. We had to be quick because the tide was coming in and we wanted the sea to fill our moat.

Afterwards, we sat down to have our lunch. I had **strawberries** and cream for pudding. The children wanted **lollies** so they ran off to the ice cream kiosk to buy them. They couldn't resist the **candyfloss** stand and they both came back with a pink fluffy cloud on a stick as well! With all the sweet sugary food around, this attracted the **wasps** so we decided to pack everything up and go for a walk down the beach.

After the walk, we headed back to the car and drove home. The children slept most of the way. They were exhausted but it had been the perfect day.
