

A Day at the Beach

Use the words from the attached **Word Bank** to fill in the gaps.

It was a beautiful _____ day so we decided that we would go to the _____.

We packed a _____ and jumped into the car and set off for the beach. However, because it was such a lovely day, everybody else had the same idea so there were lots of _____ along the way.

It took a bit longer than usual but once we got to the beach, all the traffic problems were forgotten. We ran onto the beach and looked out to sea and watched the people swimming. Further out, there were people _____ and out on the horizon there was a _____. On the pier, I could see a man with his _____ rod and at the end of the beach there was a man selling rides on his _____.

We got out the _____ and _____ to build a _____ castle. We had to be quick because the tide was coming in and we wanted the sea to fill our moat.

Afterwards, we sat down to have our lunch. I had _____ and cream for pudding. The children wanted _____ so they ran off to the ice cream kiosk to buy them. They couldn't resist the _____ stand so they both came back with a pink fluffy cloud on a stick as well! With all the sweet sugary food around, this attracted the _____ so we decided to pack everything up and go for a walk down the beach.

After the walk, we headed back to the car and drove home. The children slept most of the way. They were exhausted but it had been the perfect day.
