## REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

The trustees present their report with the financial statements of the charity for the year ended 31 March 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

### OBJECTIVES AND ACTIVITIES

TALK Surrey CIO was registered as a charity (number 117604) on 27 November 2017.

The Charity's object, as set out in the constitution, is to relieve the communication needs of people with aphasia (primarily but not exclusively as a result of stroke) in the county of Surrey and surrounding area.

Aphasia is an acquired communication disorder caused by damage to the language processing centres of the brain. It can affect the ability to speak, read, write and understand what is being said, and can lead to frustration, loss of confidence and social isolation.

TALK aims to support people with aphasia by enabling them to practise all aspects of communication in a supportive environment, thus promoting confidence and leading to increased participation and independence within the community.

TALK fulfils its aims by providing long term communication and social support to people with aphasia after stroke by:

- Enabling them to practise all aspects of communication
- Familiarising them with strategies to aid conversation
- Helping them to rebuild confidence and self esteem
- Encouraging them to become socially independent
- Providing them and their families with information, advice and ongoing support
- Helping them to live positively with aphasia following stroke

#### OBJECTIVES AND ACTIVITIES

##### Significant activities

Despite the challenges posed by the Coronavirus pandemic, TALK has continued to provide regular support for its members, albeit in a different format. Our weekly group meetings were suspended in March 2020 in line with government guidelines. Since then, staff and trustees have worked to ensure that TALK continues to both receive and provide the support necessary to meet its objectives. In March 2021 the total number of recoverers was 82 (70 existing recoverers and 12 new referrals). Our total number of volunteers was 78, of whom 6 are recoverers.

Our Groups Coordinator provided weekly themed activity packs to all recoverers, enabling them to participate in meaningful and enjoyable communication activities with their families and maintaining a sense of community and connection during the period of group closure. Group leaders have kept in regular phone contact with recoverers and volunteers who are at greatest risk of social isolation. We also offered online support through Zoom conversations with volunteers and with student speech and language therapists from University College London, as well as access to aphasia-friendly online resources, including a music therapy activity developed specifically for TALK. All our activities have received positive feedback from recoverers.

Our Operations Manager maintained regular contact with volunteers via a monthly bulletin, with our five group venues, and with local speech and language therapy (SLT) services who refer people with aphasia to TALK. We have received positive feedback from both the SLTs and the new recoverers about the support we have provided during the Covid-19 period. To ensure we maintain best practice, our Operations Manager attended online meetings with the Aphasia Alliance and Voluntary Action South West Surrey. We have sourced online Safeguarding training for the remainder of our volunteers which will be completed prior to the groups reopening. Following appropriate risk assessments, a plan is in place to re-open the groups in October 2021 in line with government and venue guidelines.

Our Fundraising Manager has continued to promote the work of TALK amongst potential funders and has been successful in ensuring that we are in a secure financial position once normal service is resumed. As many of our usual fundraising activities were curtailed, we are grateful to our main external funders for continuing to support our work during this challenging time.

In March 2020, we successfully recruited five new trustees who brought a range of relevant skills and experience to the Board, ensuring continued good governance. The Board and the Executive Committee have continued to meet every two months via Zoom. In February 2021, the trustees attended a two-day online training delivered by the National Council of Voluntary Organisations (NCVO) which enabled us to identify key risks and areas for development, resulting in a clearer strategic vision for the Charity. We have focused this year on reviewing and updating our policies including: Safeguarding, Lone Working, Data Protection, Equal Opportunities, and various HR related policies. We have also undertaken a project to update and develop TALK's website. We are confident that TALK is in a good position to continue its work and to meet its objectives in the future.

#### PUBLIC BENEFIT

TALK Surrey CIO provides long term communication and social support to people with aphasia following stroke or other brain injury.

The Trustees have given due consideration to the Charity Commission's published guidance on the Public Benefit requirement under the Charities Act 2011.

### REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

#### FINANCIAL REVIEW

##### Financial position

The net result for the year to 31 March 2021 was a surplus of £7,272 (2020: deficit of £4,656). This is represented by a surplus of income over expenditure of £7,272 on unrestricted funds and break-even point on restricted funds.

Reported income for 2021 is £78,511 (2020: £75,975).

During 2021 TALK has continued to secure additional funding from grant-making trusts to provide a range of fully-funded activities at our weekly groups such as art therapy, music therapy and table top gardening. The Charity will continue to seek funding contributions from grant making trusts towards the operational staffing costs, so that more of our unrestricted funding can be used for the benefit of Group activities.

The total costs for the year of £71,239 (2020: £80,631). Meetings and workshops have been affected by the pandemic.

Trustees remain committed to carefully controlling expenditure and will continue to seek funding support for specific costs where appropriate.

##### Reserves policy

The Trustees have considered the Charity's reserves, bearing in mind the likelihood of any contingencies, which might arise. They believe a policy of maintaining unrestricted reserves at a level equivalent to six months' budgeted expenditure is appropriate at the present time. This will be reviewed annually.

##### Going concern

The trustees have considered the financial position of the charity are of the opinion that the charity is a going concern and the accounts have been prepared on that basis.

#### STRUCTURE, GOVERNANCE AND MANAGEMENT

##### Governing document

The Charity is governed by a Constitution adopted on 27 November 2017.

##### Recruitment and appointment of new trustees

New Trustees are selected to bring to the Board such skills as the existing Trustees believe to be necessary for a balanced board. New Trustees are co-opted to the Executive Committee and elected to the Board at the following AGM. Existing Trustees wishing to stand for re-election are re-elected annually at the AGM.

##### Organisational structure

The Charity is managed by the Executive Committee. Responsibility for the day-to-day operations of the Charity has been delegated to the TALK Operations Manager (formerly known as the TALK Coordinator) who consults regularly with the Chair and other members of the Executive Committee. A Group Coordinator reports directly to the TALK Operations Manager and is responsible for supporting the day-to-day functions within the groups. The Charity also employs a Fundraising Manager who reports to the Chair and Trustees and is responsible for promoting TALK and preparing grant applications as well as general fundraising activities.

##### Risk management

The Trustees have a duty to identify and review the risks to which the Charity is exposed and to ensure appropriate controls are in place to mitigate identified risks. The Executive Committee has responsibility for identifying and assessing the Charity's exposure to key risks.

In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:
